Dear Commissioners and Judge Nodes,

11/20/2012

Date

The undersigned wish to make a statement regarding the petition currently before the Commission of the Boulders Homeowners Association seeking the de-commissioning and closure of the Boulders East Plant, a sewage processing plant located in the midst of the Boulders Community in Carefree and North Scottsdale and operated by Black Mountain Sewer/Liberty Water. This statement follows:

Please address our odor and noise problems at the Boulders sewage plant. I bought my home for a peaceful and quiet residence and find that the plant on some days interferes with my quality of life. Please help me solve this problem by shutting down the plant.

Thank you
